Degree Requirements

LLM in Intellectual Property and Technology Law (IP/TL)

To earn the Intellectual Property and Technology Law LLM degree, a student must successfully complete 24 units of courses, 15 credits of which must come from the IP/TL curriculum. Students may also earn up to 6 units from related courses in other schools in Washington University that support their research interests.

Internships

IP/TL LLM students are encouraged to apply for unpaid internships either during their academic program or during the summer after completing the program. Alumni and friends of the LLM program offer students opportunities at in-house counsel settings and at law firms of all sizes.
